

# APPLICATION PROCESS

**All individuals, 18 years and older, can register to vote so long as the individual:**

- is a U.S. citizen,
- has not been convicted of a felony or, if convicted, has had his or her rights restored,
- is not deemed mentally incapacitated by a court of law.

**How and where can I register to vote?**

- Register in-person at your local registrar's office. Your local registrar's office accommodates all individuals with disabilities. **The last day to register for the November Presidential Election is October 15, 2012.**
- Forms may be downloaded from the State Board of Elections website at [www.sbe.virginia.gov](http://www.sbe.virginia.gov). Register at home and mail your completed Voter Registration Application to your local registrar's office. That address can be found on the back of the application instructions.
- In addition, any person has the right to register to vote at any office or agency that provides such a service. These offices include but are not limited to your local: Department of Motor Vehicles (DMV), Department of Health (VDH), and Department of Social Services (DSS).
- New registrants must show an acceptable form of ID when registering to vote. To view a list of acceptable IDs, please visit [www.sbe.virginia.gov](http://www.sbe.virginia.gov).
- For individuals with vision impairments, the State Board of Elections works to provide large print copies of voting related material. Your local registrar's office should have large print versions of all materials in circulation at this time.
